

**§ 1304.17 Inventories of dispensers and researchers.**

Each person registered or authorized (by § 1301.22(b) of this chapter) to dispense or conduct research with controlled substances and required to keep records pursuant to § 1304.03 shall include in his inventory the same information required of manufacturers pursuant to § 1304.15 (c) and (d). In determining the number of units of each finished form of a controlled substance in a commercial container which has been opened, the dispenser shall do as follows:

(a) If the substance is listed in Schedule I or II, he shall make an exact count or measure of the contents; and

(b) If the substance is listed in Schedule III, IV, or V, he shall make an estimated count or measure of the contents, unless the container holds more than 1,000 tablets or capsules in which case he must make an exact count of the contents.

**§ 1304.18 Inventories of importers and exporters.**

Each person registered or authorized (by § 1301.22(b) of this chapter) to import or export controlled substances shall include in his inventory the same information required of manufacturers pursuant to § 1304.15 (a), (c), and (d). Each such person who is also registered as a manufacturer or as a distributor shall include in his inventory as an importer or exporter only those stocks of controlled substances that are actually separated from his stocks as a manufacturer or as a distributor (e.g., in transit or in storage for shipment).

**§ 1304.19 Inventories of chemical analysts.**

Each person registered or authorized (by § 1301.22(b) of this chapter) to conduct chemical analysis with controlled substances shall include in his inventory the same information required of manufacturers pursuant to § 1305.15 (a), (c), and (d) as to substances which have

been manufactured, imported, or received by such person. If less than 1 kilogram of any controlled substance (other than a hallucinogenic controlled substance listed in Schedule I), or less than 20 grams of a hallucinogenic substance listed in Schedule I (other than lysergic acid diethylamide), or less than 0.5 gram of lysergic acid diethylamide, is on hand at the time of inventory, that substance need not be included in the inventory. Laboratories of the Administrator may possess up to 150 grams of any hallucinogenic substance in Schedule I without regard to a need for an inventory of those substances. No inventory is required of known or suspected controlled substances received as evidentiary materials for analysis.

## CONTINUING RECORDS

**§ 1304.21 General requirements for continuing records.**

(a) On and after May 1, 1971, every registrant required to keep records pursuant to § 1304.03 shall maintain on a current basis a complete and accurate record of each such substance manufactured, imported, received, sold, delivered, exported, or otherwise disposed of by him, except that no registrant shall be required to maintain a perpetual inventory.

(b) Separate records shall be maintained by a registrant for each registered location except as provided in § 1304.04 (a). In the event controlled substances are in the possession or under the control of a registrant at a location for which he is not registered, the substances shall be included in the records of the registered location to which they are subject to control or to which the person possessing the substance is responsible.

(c) Separate records shall be maintained by a registrant for each independent activity for which he is registered, except as provided in §§ 1304.25 and 1304.26.

(d) In recording dates of receipt, importation, distribution, exportation, or other transfers, the date on which the
